A DOO WOP VOCAL GROUP DISCOGRAPHY & REFERENCE GUIDE

*SECOND EDITION
IS HERE!!*

The Ultimate Vocal Group Harmony Reference Guide

Available in 2 formats

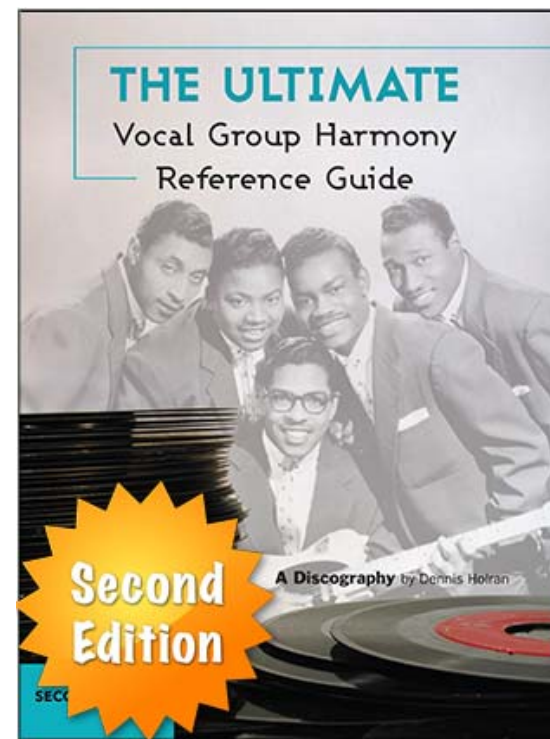

- 1. An Electronic PDF File that is downloaded to your computer*
- 2. A Printed Hard Copy divided into 2 three ring binders*

This book has over **2300 pages** of information on over **13,000** artists and contains listings of over **60,000** songs, primarily 45 rpm records, but including 78 rpm's, demos, unreleased and album material primarily covering the 1940's through mid-sixties. Information is also available on contemporary groups that have kept the music alive.

Discographies on each vocal group & single artist with vocal group backing and all the label variations I could find. Artist information includes group members, hometowns, complete cross-reference of groups and members. Exhaustive search to separate groups with the same name and related groups with the same name but with

significant member changes. See Drifters. Approximate value on 45 rpm records and information on boots and repros that are available.

Much More Information and Accuracy than Ever Before!
